I, _____, understand that by signing this section, I am providing consent to IntelligeneCG to perform the genetic testing as ordered. I attest that I am covered by insurance and authorize IntelligeneCG and their contracted billing company to give my insurance carrier the information on this form and provided by my healthcare provider that is necessary for reimbursement. I understand that I am responsible for deductibles and coinsurance amounts as indicated by my insurance carrier. I agree to assist in resolving insurance claim issues and if I don't assist, I may be responsible for the full cost of the test. I understand that I am responsible for sending IntelligeneCG any and all of the money that I receive directly from my insurance carrier in payment for this test. If prior authorization is required, I understand that IntelligeneCG or their contracted billing company will call me with the result of the prior authorization. If the result is that the test is not approved during prior authorization then I will have the option to cancel the test at that time.

I also give my permission for my sample and clinical information to be used for research purposes by IntelligeneCG and for publications. My name or other protected health information will not be used or linked to the results of any research or publications.
